The Great Ocean Road

RIDING CONDITIONS

The route is entirely paved with a variety of road conditions including wonderful sweeping roads and some technical riding on twisty mountain roads with several hair-pin turns. This tour is suitable for two-up riding.

I expected Australia/Tasmania to be fun and it was. What I hadn't expected were the fantastic twisties in the mountains and the almost magical scenery - from beaches to valleys to mountains. A great experience.

- Daniel Gresham, Santa Fe, NM
