

Riding the Swartberg Mountains

SOUTHERN CROSS

The Perfect Introduction to Africa

This trip through South Africa and Swaziland offers an unforgettable Adventure for riders who wish to enjoy the unique experience of traveling in Africa by motorcycle. This 14-day Adventure could be named “Best of South Africa”, as it includes more of South Africa’s highlights than you’ll find in any other South African tour.

Although our route is totally paved and ideal for two-up riding, this tour offers exciting off-pavement alternate routes as well. Off-pavement opportunities include South Africa’s Swartberg Pass, Prince Alfred Pass, Montagu Pass and others.

Multiple game drives, including evening game drives, are an important part of this exceptional experience. Kruger National Park is one of the largest game reserves in Africa and covers more than 7,000 square miles - larger than the state of Connecticut. The *Southern Cross* is the only motorcycle tour that features overnight stays within the park, allowing for evening game drives.

Key attractions include:

- Cape Town’s Waterfront – the most popular destination in this beautiful city
- Overnight accommodations in an upscale boutique lodge featuring private balconies overlooking the ocean at the southernmost point of the African continent – where the Atlantic and Indian oceans meet
- An overnight stay at a boutique lodge in South Africa’s Klein Karoo
- A two-night stay at a premium hotel on the waterfront in Knysna - a small South African town that has been recognized as South Africa’s favorite vacation spot
- An overnight stay in Swaziland, with a ride through the beautiful Swazi Mountains
- The “Grand Finale” – two nights in a luxury game lodge located *within* Kruger National Park which allows for evening game drives. Some competitors offer a game drive through the park but only Ayres Adventures includes two nights inside the park allowing for this exceptional wild-life-viewing experience.

RIDING CONDITIONS

The route is entirely paved with a variety of road features including several twisty mountain passes and scenic riding on easier, straight roads. Riders can expect people and animals on the roads in some of the smaller towns through which you will pass. There are optional side-trips on good unpaved roads. This tour is perfectly suited for two-up riding.

Cape L'Agulhas

Kruger National Park

Our second tour (Southern Cross) was amazing. Another trip with top notch motorcycles, accommodations, guides, scenery and excursions... Ayres attention to detail sets them apart from other touring companies.
