ALASKA / YUKON ADVENTURE

Best of Alaska and Canada

Starting and ending in Anchorage, our *Alaska/Yukon Adventure* takes riders on the best motorcycling roads Alaska has to offer. We will also ride along several lesser known roads, such as the ‘Top of the World’ highway from Chicken Alaska to Dawson City in the Yukon. A couple of nights in historic Whitehorse will be followed by a stunning ride to the port town of Skagway where we will board a ferry to take us to Haines.

We will spend two nights in Fairbanks which gives us the opportunity to take a ride to the Arctic Circle and back on our free day. Leaving Fairbanks, we will enjoy an exceptionally scenic ride back to Anchorage via Denali National Park.

Key attractions include:

- The Matanuska Glacier. At 27 miles long and 4 miles wide, it’s the largest glacier in North America accessible by motorcycle.
- The stunning “Top of the World Highway” from Chicken, Alaska to Dawson City, Yukon Territory. Leave the USA

at Poker Creek - the northernmost border entry point in the USA (population: 2).

- Whitehorse, Yukon Territory where we’ll enjoy the Frantic Follies and other cultural attractions of this interesting stopover.
- British Columbia and the port town of Skagway where we’ll take a brief ferry ride to Haines.
- A free day in Fairbanks where you’ll have the option of riding the gravel Dalton Highway to the Arctic Circle. Or, take advantage of the many Alaskan cultural attractions offered in Fairbanks.
- Mt. McKinley, the highest mountain in North America.
- An overnight stay at Denali National Park which we can tour before departing for Anchorage in the morning.
- Bear, moose, caribou, elk and other wildlife which can be seen from the seat of your motorcycle.

Our native Alaskan tour leader will delight in showing you his favorite riding spots. It won’t take much prompting to have him recite his great rendition of “The Cremation of Sam McGee” one evening after dinner.

The Cremation of Sam McGee

*There are strange things done in the midnight sun
By the men who toil for gold
The Arctic trails have their secret tales
That would make your blood run cold;
The Northern Lights have seen queer sights,
But the queerest they ever did see
Was that night on the marge of Lake Lebarge
I cremated Sam McGee.*
